

## *For the Shear Pleasure of Creating*

Our mission at The Art Depository is to create community through the arts and arts through the community. It is our wish to provide art not for a few, but for the masses. We do this by involving the community. Our yearly events include the Paint the Town Banner Project, the Student Art Exhibit and our non-professionals art exhibit. Non-professionals exhibit?

*For the Shear Pleasure of Creating*, this year's non-professionals exhibit is all about artists and craftspeople from the community who create and craft because they just love to do it. These folks come home at night after work and create, build and construct with watercolors or pottery, they scrapbook, collage, and paint, they quilt, knit or carve. They make gifts for friends and family. When they shop, they spend lots of time in the art supplies. They go to summer art fairs just to see what other people are doing. They burst with energy when it comes to crafting and creating.

We at The Art Depository are looking for these folks. Their artistic works of love will be our next exhibit. If you are an amateur photographer, painter, quilter or knitter we want to see your work at the Art Depository. It can be for sale or display only. It's time for the community to see your labor of love.

Any work not created from a kit is eligible. This includes oil and acrylic paintings, artist pulled prints, watercolors, stamping, card making, needlework, quilting, handwork, beadwork, jewelry, stained glass, papermaking, wood carving, lathe work, woodwork, pottery, sculpture, carvings, iron works, stained glass, photography, soap, candles and more.

All work must be professionally presented. Framed work should be ready to hang with wire, no saw-tooth hangers please. If you have questions about presenting your work, bring it by the gallery before deadline and we'll take a look at it

Work is to be delivered to the gallery June 1, 2007 through June 9, 2007. Gallery hours are Thursday and Friday 10 am – 7 pm and Saturdays 10 am – 4 pm.
